Bravi

A much deserved congratulations for the fantastic response to the Italian assignment for second semester. The projects on the Italian regions were very detailed and well thought out, creative and most enjoyable. The class project presentations proved to be a great success! The students displayed a great sense of responsibility towards collaborative class learning of Italian and culture. Thank you for sharing many interesting facts and for your efforts in using Italian for your presentations

Grazie a tutti
Bravissimi!

Toys 'n' Tucker

Each year thousands of families struggle to make ends meet at Christmas. Luxuries like Christmas lunch and children's gifts are simply out of reach. Anglicare works to ensure that these families do not go without at Christmas. However, they cannot achieve this without the generous support of other community.

Look out for our Giving Tree right outside the office. We are collecting NEW gifts for children and teens and NON-PERISHABLE food for festive meals. If you wish you can wrap your donations in clear see-through cellophane.
