Farewell

As this is my final newsletter, I would like to take this opportunity to thank you again for farewelling me in such an amazing way. I have been moved time and time again over the last few weeks by all your kind words, gestures, gifts and messages that I will cherish. In recent days, I have often thought of the second verse of our school song.

Thank you for your support and encouragement during my time here. As I have said before, your energy and commitment to the school and your ability as a group to cover all bases is extraordinary. I look forward to another occasion at some time in the future when I can catch up with you all.

Many thanks to all those parents who contributed to the success of the Year 6 farewell. As we say farewell to our Year 6 students, we also say farewell to a number of families as their children move to other schools. We have a large group of Year 6 children who are going to Rose Bay Secondary College. Special thanks to all those families who have been involved in the school, particularly through the P&C and / or as parent helpers supporting school and class programs.

I wish you all a happy and safe time with your families over the Christmas and New Year period.

To the families of VPS

Each year, the year 6 students hold a series of fundraisers to raise money to pay for their End of Year Farewell. This year has been no different.

On behalf of the Class of 2011, we would like to thank you for your generous support. Through a variety of events, sales of cut watermelon, Spiders and iceblocks in term 4 even if we are still waiting for summer, the kids raised \$2000.00.

This money will now pay for the venue, food, drink, decorations and any other expenses. At the time of writing, the big event is to be held tomorrow night (Wednesday) and will be a great success.

Every day is a party at Vaocluse

*Cameron, Max and Mr Nethery celebrate
Max's Birthday*

*Zoe and Jackson decided to share some
class party cake.*

Lachlan, Ollie and Mr Nethery deep in thought.
