Veggie Garden News

Hello and welcome to another veggie garden news.

Today we had a fantastic day in the garden with all classes; everything went smoothly combining fun, work and learning. My three very favourite things in life. Children tidied up behind the chicken shed and re mulched it. The children even came back at lunch to work more! We planted lettuce, beetroot and corn. The garden is entering into its spring summer phase with a most of the winter crop nearly all eaten by the children. Watch out for English spinach and cabbages. We also harvested some ripe bananas which the children froze for later use. Thanks to Saori Hannah's mum for rocking the weeding and good conversation.

If you would like to help out in garden I have:

More gardens to fill up with soil and veggies
Need mulch to replace removed soil behind chicken house
Sweeping paths and general tidy up.

If you would like to help in the veggie garden please give me ring or drop me an email. I am in the garden every second Monday and every Tuesday from 430.
Come down and learn how to grow fruit and veggies.

Important Housekeeping

If you are enjoying the garden after hours please do not pull out small veggie seedlings. They are not weeds. Students and their siblings are pulling out vegetables to feed the chickens. The hose is also being left on. Unfortunately there are many unsupervised children in the garden after hours. Anyone entering the chook shed must please lock it. The chook has been left unlocked a few times over the past couple of weeks.

Apologies - to Miss Mac from myself and the passion fruit kids.

Cheers Rudi.

VAUCLUSE PUBLIC SCHOOL

P&C SPRING COCKTAIL PARTY

SEPTEMBER 9, 2016

A HUGE thank you to all the parents, friends and teachers of VPS who attended and helped raise funds at our fantastic Cocktail Party last Friday night.

Thanks must also go to everyone who donated prizes, gathered donations, helped organise the event, bought raffle tickets, and dedicated their time and effort to assisting the P&C raise significant funds for our much loved School. To our major sponsor McGrath Real Estate, Doyles on the Beach for hosting the night, Maureen Hallahan, Corinne and Gisele for assisting with preparations, and of course the Cocktail Party committee and Class Cocktail Volunteers for bringing it all together for tonight, we could not have done it without you all.

We are pleased to announce that we raised a magnificent total of

\$41,500

The proceeds from the Cocktail Party Fundraiser will be spent on additional educational resources for our children that fall outside the general Government school budget allocation. The P&C will be looking at the results from the Parent Survey to help us better understand where you would all like the money to be invested.

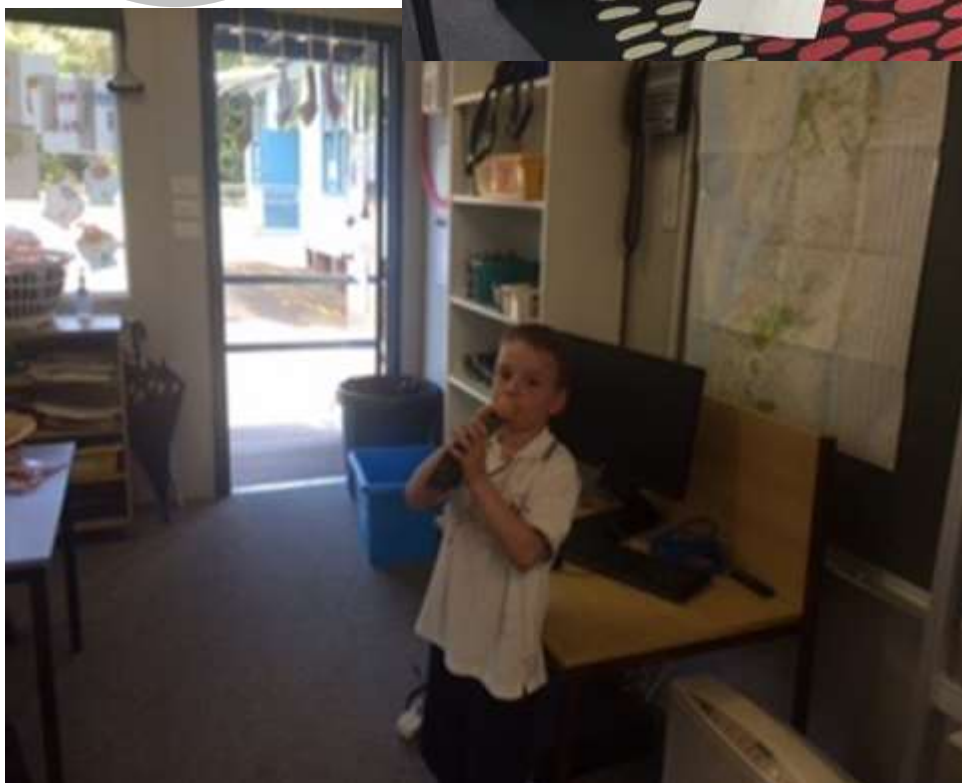

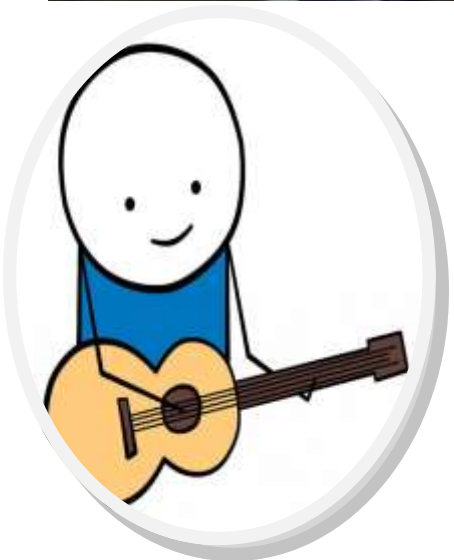

Thanks again
