# The Principal's Report

Vaucluse Public School

**Dear Vaucluse Families**

**What a wonderful week of learning and growing. This week children in Stages 2 and 3 both enjoyed some fantastic excursions, to enrich their learning programs. Stage 2 visited the Powerhouse Museum for a focus on electricity Highlights of the day also included the travel to the powerhouse and back – via ferry and the light rail! I enjoyed the walk down to Watson's bay wharf with them as they set out on their adventure. Stage 3 visited the 'Sculptures by the Sea' event on a glorious day by the harbour. I was happy to be able to join them for a part of the walk too and hearing their reflections on the different sculptures.**

**Next week is another busy week and we are looking forward to welcoming Kindergarten students for 2023 to our lovely school. They will be coming for a twilight orientation scavenger hunt with their parents on Tuesday afternoon. If you know of any kindergarten students for 2023 who are not yet enrolled, please get in touch soon!**

**Our planning for 2023 is underway. If you have not yet done so, please confirm whether or not your child will be returning next year. You can find the links in this newsletter – either copy and past the link into a browser or use your phone to scan the QR code. We give class formation a great deal of consideration so we can best plan learning environments to suit students' individual academic and social needs. If you have any questions about class formation or planning, please don't hesitate to contact the school.**

**I hope you all have a happy and safe weekend!**

Dear families

We are planning our class organisation for 2023. For the best possible start to the year, please complete a form for each child you have currently attending Vaucluse Public School. It only takes a minute!
